Let me now briefly introduce our College.

Our College is a co-educational constituent College of University of Delhi. It was established by the Government of NCT of Delhi in the Trans-Yamuna area in 1991 to cater to the needs of higher education in a school building of Geeta Colony. In 2001, the College shifted to the present building, the foundation stone of which was laid by the then Hon'ble Vice-President of India (Hon'ble Sh. K.R. Narayanan Ji). It is spread over 9 acres including a residential area having 12 staff quarters.

With a total student strength of about 3100 (39 per cent girl students), it has got about 123 faculty members and about 56 regular members of the administrative staff besides a few contractual and ad-hoc staff. The College offers a number of professional and Honours courses like Business Economics, Hindi Journalism and Mass Communication, Applied Psychology, Social Work, Commerce, Economics, Hindi, Geography and History in addition to B.A. (Programme), B. Com. and Urdu as an elective subject. Three other courses are in the pipeline. The College is privileged to have WUS Health Centre in its premises to look after the healthcare needs of College students and the staff of University of Delhi.

Our College also supplements the efforts of the University and serves community by meeting the needs of higher education of the young population. It is one of the Regional-cum-Study Centres to facilitate undergraduate teaching for School of Open Learning (SOL), and for girl students of Non-Collegiate Women's Education Board (NCWEB, University of Delhi). Our College also acts as one of the Centres of Rajiv Gandhi National Institute of Youth Development, Ministry of Youth Affairs & Sports, Tamil Nadu, that offers a one year Post Graduate Diploma in Youth Development (PGDYD). The College constantly strives to improve its Good Practices, for which 'Special Commendation Prize' was awarded by University of Delhi in 2015. The College has registered well in time and much ahead of others with GeM for general purchases and PFMS for government grants. It celebrated its Silver Jubilee in 2015-16, and it is now NAAC accredited with B+ grade.

Let us quickly review the College activities.

During the last year, the College took many initiatives. The College starts its regular academic life while organizing an Open Day Session followed by an Orientation Programme, which was organised on 20 July 2018 to welcome the newly admitted young students. Dr. A.K. Singhla (IPS) gave an enlightening speech to the young students about the role of college education in their life and what

they could achieve by doing hard work during their college life. Thanks to Dr. Sarla Bhardwaj and Dr. M.S. Vats.

Our College is on the name of Bharat Ratna Baba Saheb, Dr. Bhim Rao Ambedkar. He was a multi-faceted personality – a great legal luminary known as the Father of the Indian Constitution, a social scientist par excellence, a prolific writer and an editor, a great social reformer and a brilliant orator. In order to acknowledge and create awareness among students and society about his life and mission, academic work and his contribution towards improving the lot of socially disadvantaged sections of population and building a new India based on the principles of justice, liberty, equality and fraternity, the College started Baba Saheb Bhim Rao Ambedkar Memorial Lecture Series in 2007 (the year, I joined) on the occasion of his birth anniversary. Since then, it has been continuing.

The inaugural Baba Saheb Memorial lecture was delivered by Prof. Namvar Singh on 14 April 2007 and the last year Lecture (13 April 2018) was delivered by Prof. Sheoraj Singh (Keynote Speaker), which was further supplemented by Sh Rajendra Pal Gautam (Expert Speaker and Delhi Cabinet Minister) and Dr. P.C. Patanjali (Founder Principal of the college). The College thanks to these well-known Speakers, the College Coordinator Dr. Rajendra Prasad and his team.

The College extends its best wishes to all these young students as given above in their future endeavours.

The College is conscious of its responsibility of being a part of the ongoing development related to the rising competition in higher education. We need to get ourselves assessed by the Accreditation Agencies. The NAAC Steering Committee constituted in 2014-15 worked hard and the College was accredited B⁺ (CGPA 2.51 on seven point scale) despite persistent extreme negativity being displayed by a few. The college IQAC has been equally supportive with Dr. Atul Pratap Singh as its Coordinator. He and his team deserve appreciation.

The college Annual Day gives us an opportunity to review our activities and highlight our achievements. It is also an occasion for thanks giving, remembrances and felicitation. I record my sincere thanks for the efforts of each and every one, who has contributed towards the development and stability of the college. Special mention may be made of the Governing Body; the Vice Chancellor and his team; Directorate of Higher Education, GNCTD, PWD and the UGC officials.

I must extend my thanks to all those colleagues from teaching faculty who were available beyond the call of duty and have worked tirelessly for the college. Special thanks to all those ad-hoc teachers. I also convey my thanks to the Annual Day Central Coordination Committee led by Dr. M.S. Vats, Dr. R.P. Dwivedi and Dr. Ravindra Singh and all its Sub-Committee Convenors and their respective Teams.

Let me also underline that college derives a lot of its strength from students, and what they do and carry from here onwards. They are our true assets and we must collectively work for their future advancement and transform them into good citizens so as to contribute to the nation-building. I wish them all the best in their future engagements in life.

All my colleagues from the teaching and non-teaching including the Sectional heads and Caretakers deserve appreciation for all good that you see in the college.

Presenting this report in the presence of Hon'ble Guests, though a moment of pride, is also a moment of introspection. I take this opportunity to request my colleagues to join me in taking stock of our achievements and to recall what is still left and how it should be done. It is more so when a few continue to follow the path

of negativity and engage in anti-college activism with unethical approach for reasons best known to them. This ultimately damages the image of institution, which ideally should be a place of worship.

The college has come a long way, but still a lot remains to be done. Sir, our public friendly initiatives in the past have resulted in an Overhead Bridge which we see on the main road, and also in the renaming of DTC Bus Stand as 'Bhim Rao Ambedkar College Bus Stand' and the work is going on for construction of 2nd floor. However, we need to work hard on many other fronts to further improve the ambience, creating healthy academic environment and starting new courses and prepare for better NAAC grade. Let us pledge ourselves and join together, to carry forward the college and build up a better future for younger generation. It will be good for all of us.

Before I close, let me again, on behalf of the college family and the Governing Body, express my gratitude to all the Hon'ble Guests on the Dias with the submission that the college always needs your support, guidance and blessings to reach new heights.

Thank you all again,

Principal (Dr. G.K. Arora), 12.02.2019
