**Sub: Students are advised to be Vigilant from a few unprincipled staff/persons working against the College and its dedicated staff**

Dear Student,

You are hereby advised to remain vigilant from a few unethical, disgruntled and unprincipled staff/persons, who as a part of their well-designed strategy, misuse and misguide the innocent students through social and print media to defame the college and its dedicated staff including the Principal for their own vested interests and nefarious designs. Their sole purpose is to hide their own non-performance, incompetency and unethical behaviour.

Such unethical persons may even take your signatures in one or the other pretext in order to misuse your name to tarnish the image of the College; and to disturb the peaceful environment of the College.

Since it is your own College, please look after the College interests by contributing to its development through (i) participating creatively in students-oriented activities;(ii) always remaining peaceful and polite to all your fellow students: (iii) keeping the College Campus Clean and Green; (iv) saving the Water by closing Taps and Electricity by switching off lights; (v) maintaining discipline by following the code of conduct and ethical behavior; (vi) not engaging in any kind of ragging whatsoever; (vii) protecting College property and respecting University rules; and (viii) above all, ignoring those who damage the image of the College through their misconduct and unethical practices to hide their own misdeeds.
