Let me now briefly introduce our College.

Our College is a co-educational constituent College of University of Delhi. It was established by the Government of NCT of Delhi in the Trans-Yamuna area in 1991 to cater to the needs of higher education in a school building of Geeta Colony. In 2001, the College shifted to the present building, the foundation stone of which was laid by the then Hon'ble Vice-President of India (Hon'ble Sh. K. R. Narayanan Ji). It is spread over 9 acres including a residential area having 12 staff quarters.

With a total student strength of about 3100 (39% girl students), it has got about 116 faculty members and about 56 regular members of the administrative staff besides a few contractual and ad-hoc/deputational staff. The College offers a number of professional and Honours courses like Business Economics, Hindi Journalism and Mass Communication, Applied Psychology, Social Work, Commerce, Geography and History in addition to B.A.(Programme) and B.Com. Urdu as an elective subject and B.A. (H) Economics and Hindi were introduced during the last academic year. The College is privileged to have WUS Health Centre in its premises to look after the healthcare needs of College students and the staff of University of Delhi.

Our College also supplements efforts of the University in meeting the needs of higher education. It is one of the Regional-cum-Study Centres to facilitate undergraduate teaching for School of Open

Learning (SOL), and for girl students of Non-Collegiate Women's Education Board (NCWEB, University of Delhi). Our College also acts as one of the Centres of Rajiv Gandhi National Institute of Youth Development, Ministry of Youth Affairs & Sports, Tamil Nadu, that offers a one year Post Graduate Diploma in Youth Development (PGDYD). Thanks to Dr. Arvind Kumar Yadav, Dr. D.K. Pandeya and Dr. Ravindra Singh who have been coordinating those works.

The College also functions as one of the 20 Earthquake Strong Ground Motion Stations in Delhi for recording and monitoring earthquakes in Delhi under the project jointly handled by Director of Seismology Division (DST)-DU-IIT (Roorkee).

While constantly striving to improve its Good Practices, for which 'Special Commendation Prize' was awarded by University of Delhi, the college has registered well in time and much ahead of others with GeM for purchases and PFMS for Government Grants.

Before elaborating on the College activities, let me recall the year 2015-16. This Silver Jubilee Year was celebrated by organizing a number of activities to prepare its students for the future through training beyond class room besides cultural and sports events.

The College took many initiatives during the last year. As a part of the *Ek Bharat Shreshtha Bharat* initiative of the Government of India to strengthen the unity and integrity of India and to enhance understanding and bonding between the States and UTs through the exchange of cultural knowledge, traditions and practices, the National Capital Territory of Delhi has been earmarked as a partner state along with the seven North Eastern states. In this context, the College North East Cell organised a Cultural Programme (*Bihu* dance) and made a Power Point presentation on the society and culture of Assam (2nd March 2017). Besides this, the Assam Week (6th-11th March 2017) and Sikkim Week (20th-24th March 2017) were also observed. The College also organised an 'Exhibition of Handicraft of Sikkim' (2nd February 2018) and various cultural programmes.

During this period, various cultural programmes like *Bihu* dance and Assamese group songs were performed by the College students and faculties. More than 500 persons visited the exhibition stall set up for displaying various cultural items like handloom products, handicrafts, food items, books, photos etc. of Assam and Sikkim. The prominent guests who visited the stall were Dr. Anil Kumar Kalkal, Mr. Karan Puri, Prof. Ari Lindeman, Finland, Ms. Binita Rai, Government of Sikkim and Pranesh Chettri, President of Sikkim Students' Association, Delhi. The valedictory function on 24th March 2017 was held by Prof. Ari Lindeman, who gave an enlightening speech on the 'Role of entrepreneurship and innovation in youth development'. This programme was widely appreciated. Thanks to Ms. N. Victoria Chanu, Dr. Pratibha Verma, Dr. Rajbala Gautam and their teams.

Our College probably was the only College in the entire Delhi that got featured in this popular program. Thanks to our Alumnus Mr. Girish Nishana.

The College before starting its regular academic life generally organizes an Open Day Session in order to guide the young students seeking admission in the University. This year on 6th June 2017, about 200 students and their parents participated enthusiastically in this session. A wide variety of admission related issues were addressed by University experts including Dr. Tuteja and Dr. (Ms.) Amrita Bajaj. Thanks to them and the College Team led by Dr. R.P. Dwivedi and Dr. Nalin Kumar with Sanket and Komal as student volunteers.

The Open Day Session was followed by an Orientation Programme, which was organized on 20th July 2017 to welcome the newly admitted young students. Dr. A.K. Singhla (IPS) gave an enlightening speech to the young students about the role of college education in their life and what they could achieve by doing hard work during their college life. Thanks to Dr. Sarla Bhardwaj, Dr. M.S. Vats and Dr. Diljeet Kaur.

As we all know, this College is on the name of Bharat Ratna Baba Saheb, Dr. Bhim Rao Ambedkar. He was a multi-faceted personality-a great legal luminary known as the Father of the Indian Constitution, a social scientist par excellence, a prolific writer and an editor, a great social reformer and a brilliant orator. In order to acknowledge and create awareness about his vast academic work among students and his contribution towards improving lot of socially disadvantaged sections of population and building a new India based on the principles of justice, liberty, equality and fraternity, the College started Baba Saheb Bhim Rao Ambedkar Memorial Lecture Series in 2007 (the year, I joined) on the occasion of his birth anniversary. Since then, it has been continuing.

The inaugural Baba Saheb Memorial lecture was delivered by Prof. Namvar Singh on 14th April 2007 and the last Lecture (13th April 2017) was delivered by Prof. Bidyut Chakravarty (Keynote Speaker) followed by Prof P.K. Thanks to our students and the College staff led by Dr. M. S. Vats, Dr. P. K. Singh, Dr. Dhananjay Kumar and Mr. Purshottam.

The College works towards social responsibility by directly participating and creating awareness among the youth. In the past, it made tangible efforts towards playing a key role in the University of Delhi and Integral Learning Project (UDAI II) undertaken in flood hit areas of Bihar, and assisted GNCTD in organizing its programme of recalling the contribution of Baba Saheb on the occasion of 26th November 2016 at Constitution Club, New Delhi. In line with this, the College celebrated the Constitution Day (26th November 2017), wherein a large number of teachers and students particularly from the Non-Collegiate Women's Education Board (NCWEB) took a pledge to fulfill their fundamental duties. Thanks to Dr. D.K. Pandeya and his NCWEB Team.

As a part of Government of India's Awareness Programme about the Vigilance Awareness Week, our College organised a programme, 'My Vision- Corruption Free India' in association with Oriental Bank of Commerce (3rd November 2017). Mr. S.K. Goel, P. Sreedhar, Parveen Guglami and Dr. Kishore Rajnish shared their long experiences and motivated the young students. The College also organised a Drive cum Special Camp to enroll left-out voters (27th and 28th July 2017) while focusing on first time Voters especially the young Indian citizens in the age group of 18-21 years. These programmes were in line with the efforts being made by the Election Commission of India through

its various programmes to strengthen the democratic roots of India. Thanks to Dr. Ravinder Singh who coordinated this programme.

The College operationalized an Open Gym with 17 work-out machines and created a Yoga and Meditation Hut made of eco-friendly bamboo stuff and an Acupressure Path with pointed stones of different sizes. It was widely reported in Media and aired on DD News. The girls' medical room is currently being made operationalized to take care of medical/counseling needs of girl students.

The College recognizes that teaching-learning can be improved by creating a research environment and enhancing writing skills. In order to promote the research activities, the College has published an International Multidisciplinary Journal 'Academia' and two Monographs which were released on 16th January 2018 in the presence of a number of teaching staff. Thanks to Prof. Rakesh K. Seth, Chairperson, Prof. Ashok K. Prasad, former Chairperson, Prof. H. S. Prasad, Department of Philosophy and Prof. J. P. Dubey, Dean, Faculty of Social Sciences and Dr. Shriram Oberoi for gracing this occasssion. Thanks to our programme Coordinators Dr. B.M. Dash and Mr. Purshottam and their Teams. Teachers encourage young students to cultivate Research inclination. Within our constraints, we also work towards the nation building through our NSS and NCC units and encourage a variety of student friendly schemes.

The College NCC unit (now having about 343 cadets) was started in 1993 under the guidance of Major (Dr.) M. S. Vats. It has two Army Wings (one each for boys and girls), a Naval Wing and an Air Wing (registered at 1 Delhi Air Sqn, C Group). Sir, you will be happy to know that our NCC Unit not only helps in nation building, but also makes a positive contribution in encouraging and facilitating the College administration particularly during admission period when they are involved in the maintenance of discipline which is the most difficult task as thousands of people visit the College during those few days.

I am happy to share with you that ever since our College was nominated by GNCTD and the NCC Unit 2 Delhi Girls Battalion as the Nodal Agency for organizing a Mega Event to Popularize Yoga on the occasion of International Yoga Day (21st June 2015), we have been continuing with Yoga Training of students from 07:45-08:45 A.M. daily in the College under the supervision of trained Yoga instructors from *Bhartiya Yoga Sansthan*. Vats. Thanks to them.

Following an initiative of MHRD, the College participated in 'The Wall of Heroes' programme (2nd June 2017). While using the knowledge and guidance from MHRD officials, the College created this wall to depict the portraits of War Warriors honoured with *Param Veer Chakra*-India's highest military decoration for showing extraordinary courage and bravery to defend our country. The programme was inaugurated by Shri Hari Om Panwar, a renowned *Veer Rasa* poet.

Given that our College is located in a relatively low economic profile area of Delhi, the requirements of our heterogeneous group of students are different from those of other colleges. The college works to empower students in many ways. Students are encouraged to avail government sponsored Development Schemes and scholarships particularly meant for students belonging to the weaker sections including SC/ST/OBC/PwD/Minorities and others. The College and its Welfare/Fee Committee recommended 115 students for financial assistance.

In order to encourage holistic development of student creativity and motivate other students, a programme 'Youth for Well-Being' was organized (23rd October 2017). The distinguished guests (Mr. Suneel Vatsyayan and Dr. Preeti Soni), talked about mental health, mood and behaviour of the youth. The North East Cell organized an orientation programme and workshop on 'Youth, Employment and Development' in North East India on 30th October 2017 that was highly appreciated and enjoyed by our students. Thanks to Dr. Otojit Kshterimayum, from V.V. Giri National Labour Institute, Noida; and Ms. N. Victoria Chanu and her Team.

The College recognizes that nature care and environmental educations are crucial for sustainable human development, which in fact has to be made inclusive. The Eco-Club, constituted in 2009, has brought about a noticeable change. This year as many as 55 students joined the Team of Green Cadets. These Cadets combine the discipline of NCC, commitment of community development and love for nature. This club organized a number of activities to create awareness towards Mother Nature. The College gratefully acknowledges the tree plantation drive (21st April 2017) sponsored by Larsen and Toubro.

Our Herbal Park with more than 110 medicinal plant varieties and Rose Garden with more than 84 plant varieties maintained under the guidance of Eco-Club continue to win top positions in Delhi University Flower Shows every year ever since we started participating in 2010. The college won Department of Sociology Cup in 59th Delhi University Annual Flower Show 2017 (23rd February). The college prize score jumped from 2 in 2010 (the year of first time entry) to 12 in 2016. The

college has an inventory of 524 trees (48 varieties), with 159 belonging to *Saptapri/Alstonia scholaris* that is widely known for its anti-pollution qualities. The eco-friendly efforts of the College were appreciated by Shri Manoj Kumar (I.A.S.), Director, Government of NCT of Delhi who congratulated the college and its Governing Body.

The paper recycling unit established in 2013 is fully functional. Now, the college has started making its own papers, envelopes, note sheets, file covers, diary, coloured papers etc. A very good number of students have already learnt the art of making paper. The purpose is not only to produce, but to impart hands-on training and develop a sense of saving the paper and raise awareness levels about waste recycling among students.

Students are encouraged to be eco-friendly and contribute to the college efforts to keep its campus clean and green through its 'Earn while Learn Scheme' (Convenor, Dr. Ravindra Singh), the Eco-Club (Convenor, Dr. K.K. Sharma), the 'Paper Recycling Unit' (Cordinator, Dr. S.S. Chawla), Gardening Committee (Convenor, Dr. Lalit Kumar). They and their teams including Mr. Joginder Singh and Sh. Ram Kumar deserve appreciation for putting in their hard labour in landscaping and beautification of the College.

In order to encourage appreciation and create awareness about International Cultures among our students, Department of Hindi organised an Indo-Japan Meet on 17th February 2017 in which 16 students from Japan participated. The Japanese students presented a Hindi group song followed by their views and experiences about India. Our college students also presented a beautiful Japanese group song and a group dance. Thanks to Dr. M. S. Vats, Dr. R.P. Dwivedi and Dr. P. K. Singh and their teams for making this programme successful.

The Heritage Club named *Dharohar* organized a number of activities to promote awareness about our country's heritage, which included: (1) a Heritage walk to Yamuna bank near Nizammuddin bridge (29th May 2017); (2) a classical dance (Kathak training programme); (3) a poster making competition (24th January 2018); and (4) a *Sanskrit Shlok Pratiyogita* (29th January 2018). The Kathak dance performance was greatly appreciated by one and all on the Alumni Day (4th February 2018). Thanks to Dr. S.S. Chawla, Dr. Pratibha Verma, Dr. Lalit Kumar, Dr. Trishna Sarkar, Dr. Mitu Dash and Dr. Sunita Sharma.

As we all know, the College functioning is the coordinated and cooperative effort of all the Administrative Wings, Committees, Departments, faculty and even the students. The general infrastructure also facilitates the teaching-learning process. Efforts are being made to further improve the existing facilities related to Library, Canteen, Computer Labs (4), Sports Ground and the Air Conditioned Auditorium with a total seating capacity of about 250 persons. I have been assured that the construction of the second floor will begin soon. Thanks to the PWD officials.

Our Library, with floor wise signages, is well equipped (books, approx. 35, 012) with extended facilities like OPAC (through which Registered users can check their library accounts) and N-LIST (E-Journals) of INFLIBNET. The college has added 1061 new books this year and subscribes to around 31 periodicals (17 English and 14 Hindi) on the recommendations of TICs/Library Committee in addition to 23 newspapers. Meritorious and economically weaker students (about 60) are provided books under SAF scheme. Special facilities like separate AC Cabin with computer facility and online membership of *Sugamya Pustakalaya* are arranged by the library for our *Divyang* students.

The College thanks all the Committee Convenors and their members who look after Central Purchases (Dr. P. K. Singh), Stock Verification (Dr. Deepali Jain), College Development and Welfare (Dr.

Lalit Kumar), Admission and Examination (Dr. Nalin Kumar, Dr. P. K. Singh, Dr. Sarla Bhardwaj and Dr. M. S. Vats), Internal Assessment (Dr. K. K. Sharma) and Computer Lab Development (Mr. Purshottam and Dr. Atul Pratap Singh). Special thanks to Dr. R.P. Dwivedi (Convenor, College Advisory Committee) for his numerous pieces of advice. Dr. Sarla Bhardwaj deserves special thanks for taking up the work related to master Time-Table, which is one of the most difficult tasks.

The promotion of extra-curricular and co-curricular activities for students is equally important during studies. The respective College Departments, Societies and Committees organize such activities and programmes. Departments of Economics and Commerce collaborated to organize a two day fest (1st-2nd of March 2017) in which 15 teams of Nukkad Natak from various colleges participated. In another programme organised by the Department of Commerce, about 90 teams participated. The College extends its best wishes to all these young students in their future endeavours.

The College is conscious of its responsibility of being a part of the ongoing development related to the rising competition in higher education. We need to get ourselves assessed by the Accreditation Agencies. The NAAC Steering Committee with its Convenor, Dr. V. P. Singh and Co-convenor, Dr. Jitender Saroha and all Teachers-in-Charge (2014-15) worked tirelessly to get all stages completed

successfully with the submission of SSR in May 2016. The college IQAC has been equally supportive with Dr. S. S. Chawla as its Coordinator. Both the NAAC and IQAC Convenors and their teams deserve appreciation for their hard work for successfully completing the first cycle of NAAC accreditation with B⁺(CGPA 2.51 on seven point scale) despite persistent extreme negativity being displayed by a few.

The College Annual Day gives us an opportunity to review our activities and highlight our achievements. It is also an occasion for thanks giving, remembrances and felicitation. I record my sincere thanks for the efforts of each and every one, who has contributed towards the development and stability of the college. Special mention may be made of the Governing Body; the Vice Chancellor and his team; Directorate of Higher Education, GNCTD, PWD and the UGC officials.

I must extend my thanks to all those colleagues from teaching faculty who were available beyond the call of duty and have worked tirelessly for the college. Special thanks to all those ad-hoc teachers. I also convey my thanks to the Annual Day Central Coordination Committee led by Dr. M. S. Vats and Dr. Ravindra Singh and all its Sub-Committee Convenors and their respective Teams.

Let me also underline that college derives a lot of its strength from students, and what they do and carry from here onwards. They are our true assets and we must collectively work for their future advancement and transform them into good citizens so as to contribute to the nation-building. I wish them all the best in their future engagements in life.

All my colleagues from the teaching and non-teaching including the Sectional heads and Caretakers deserve appreciation for all good that you see in the college.

Presenting this report in the presence of Hon'ble Guests, though a moment of pride, is generally not a smooth journey. So I take this opportunity to request my colleagues to join me in taking stock of our achievements and to introspect what is still left and how it should be done. It is more so when a few continue to follow the path of negativity and engage in anti-college activism with unethical approach for reasons best known to them. This ultimately damages the image of institution, which ideally should be a place of worship.

The College has come a long way, but still a lot remains to be done. Sir, our public friendly initiatives in the past have resulted in an Overhead Bridge which we see on the main road, and also in the renaming of DTC Bus Stand as 'Bhim Rao Ambedkar College Bus Stand' and the work on construction of 2nd floor will start soon. We are now trying to persuade the concerned authorities to (i) start a Metro Feeder Service, (ii) highlight the name of the College on the overhead Bridge; and also (iii) name the upcoming Metro Station adjacent to the College ground as 'Bhim Rao Ambedkar College Metro Station'. We also need to work hard on many other fronts to further improve the ambience, creating healthy academic environment and starting new courses and prepare for better NAAC grade. Let us pledge ourselves and join together, to carry forward the college and build up a better future for younger generation. It will be good for all of us.

Before I close, let me again, on behalf of the college family and the Governing Body, express my gratitude to all the Hon'ble Guests on the Dias with the submission that the college always needs your support, guidance and blessings to reach new heights.

Thank you all again,

Principal (Dr. G.K. Arora), 08.02.2018

STUDENTS COUNSELING

The Counseling Committee organised a One Day workshop on “Counseling for Mental Health” on 23rd October 2017 (Monday) at 1:00 PM. Two speakers were invited for the workshop: Dr. Suneel Vatasayan, Director, NADA India and Dr. Preeti Soni, Sr. Consultant, NCDAP, National Institute of Social Defence, Ministry of Social Justice and Empowerment. The workshop started with lighting of the ceremonial lamp by our Principal, speakers and committee members. Faculty members from other departments were also present at the workshop.

Dr. Richa Chowdhary, Convenor, Counseling Committee began the workshop by inviting our Principal for Namkaran Ceremony of the Counseling Centre. Our Principal, Dr. G. K. Arora coined the name “Students Counseling Centre”. Dr. Richa Chowdhary discussed the importance of mental health at workplace and combating various mental health issues in order to lead a healthy and productive life. The large number of the students who poured in from various fields of study were enlightened with tips to be resilient to daily hassles.

The workshop was organised for the students of our College and speakers of the day highlighted the importance of mental health, related issues and how they can contribute towards it. This was followed up by a discussion on various measures and interventions to psychological issues used nowadays by clinical and counseling professionals. Today's youth are, especially undergoing a lot of stress, anxiety, depression etc. It is therefore every important for them to deal with it and wait for help. Sometimes, they choose drugs and alcohol to deal with the situations and that inevitably worsens the situation rather than doing something productive. So, it is very important to give up these bad habits and choose the right path of wellness.

The workshop was very much appreciated by the students and faculty and they subsequently made a demand for more workshops like this which promotes mental well and bring positivity in life. We

are planning to organize two more workshops in the month of January 2018 by Old Age Division, National Institute of Social Defence, Ministry for Social Justice and Empowerment and by Dr. Ruchi, Freelancer and Youth Counselor.
