

# From the Desk of Principal\*

Dear Students,

A warm welcome! Our College came into existence in 1991 during the birth centenary year of Bharat Ratna Baba Saheb Dr. Bhim Rao Ramji Ambedkar. A constituent co-educational college of the University of Delhi, it is fully funded by the GNCTD. The college is relatively young and has recently completed its 25<sup>th</sup> year of eventful existence.

The College motto, '*Atto Deepo Bhava*', meaning 'Be your own light' motivates us to always work hard with dedication and integrity to enlighten ourselves and contribute to society's welfare. We derive inspiration from the teachings and mission of Baba Saheb, who work constantly hard throughout his life for the welfare of the weaker section and nation building.

The College provides ample opportunity to students to mingle together in academics, research, sports, Eco-Club, NSS, NCC, Cultural and other extra-curricular activities to suit the interest of students. Your participation in such activities helps inculcating the spirit of team work, mutual respect, discipline and social responsibility towards both college and community development. This college is known for its nature care and eco-friendly initiatives. It's Rose & Herbal Gardens, Paper Recycling Unit and Solar Water Heater etc are unique steps for conservation of natural resources. The role of our students all through these years has been admirable.

The college has embarked on the path of new frontiers of knowledge and institution building, despite many odds during my decade long tenure as Principal. The College library, access to E-resource, playground, canteen, auditorium and I.T. enabled Wi-Fi, fully CCTV surveillance, open gym and Computer Labs are second to none. You will feel happy that our students' creativity facilitated by the staff and reflected in our administrative practices. This has been appreciated by the University, and college was awarded Vice-Chancellor's Commendation in 'Antardhwani' 2015. The college invites distinguished experts, conducts workshops and organizes industrial visits and village tours to update students' knowledge and create awareness about the ground realities of life.

I am sure, you will get many opportunities to show-case your talents and skills besides gaining academic excellence. The teaching faculty, staff, Alumnus and the Governing Body are always striving for your all-round growth and development in your chosen fields. Please make the best use of the college life and fully participate in classes and student centred activities. You are encourage to take up short-term skill based job oriented add on and language courses. We also motivate them to undertake research. The college strives to create a congenial environment in class-room and outside. It will definitely play a significant role in shaping your career. Please remember that your potential to create an inclusive and peaceful society can be realized only if you love your country and work hard with dedication, honesty and discipline. This is a daunting challenge as the world is becoming increasingly competitive and employment opportunities are not expanding as required.

I look forward to seeing you in our Campus and wish you all success and a great future ahead.

You may reach the Principal at: [info@drbrambedkarcollege.ac.in](mailto:info@drbrambedkarcollege.ac.in) or [principal@drbrambedkarcollege.ac.in](mailto:principal@drbrambedkarcollege.ac.in) or contact me through my Sr. P.A., Sh. Ram Kumar.

With Best Wishes,

Dr. G. K. Arora, Principal

*\* The College appreciates the effort of the Prospectus Committee particularly Dr. Indivar Misra supported by Mr. Kanishk Nautiyal constantly working so hard for bringing out this information bulletin.*
