Subject: Request for Uploading AQAR Submission Links and Excel Sheet link on the College Website

Respected Sir,

This is to apprise you that Google Forms have been prepared for the submission of AQAR data for the academic sessions 2024–25 and 2025–26. In order to facilitate the timely collection of information, the links to these forms are required to be uploaded on the college website, so that they can be easily accessed by faculty members, Teachers-in-Charge (TICs), Criterion Convenors, and the technical team for entering the required AQAR-related details.

In addition to the submission forms, it is also proposed to maintain two Google Sheets that will reflect the status of the responses received. These sheets will indicate the names of teachers who have submitted the forms and whether the submitted entries have been verified by the technical team. Making these sheets accessible through the website will help in monitoring the progress of submissions and ensuring transparency in the process.

In this regard, it is requested that the three Google Form links meant for teachers at individual level TICs and Criteria Convenor level for two academic sessions (2024-25 & 25-26) along with the corresponding Google Sheet links reflecting the submission status may kindly be uploaded on the college website so that the concerned faculty members can conveniently access them and fill the required information.
