Subject: Provision of Financial Assistance for Fourth-Year Students

Respected Sir,

With reference to the recommendations of the Research Coordination Committee (RCC) made in its meeting held on 6 January 2026, as recorded in the minutes, it is proposed to extend financial assistance to deserving and needy students for the completion of their research work.

All faculty members are requested to identify and recommend eligible candidates in the forthcoming course who may require financial support to successfully carry forward and complete their research activities. This initiative aims to ensure that financial constraints do not impede academic progress and research excellence within the institution.

Further, in accordance with University Notification No. CNC-II/093/1/EC-1276/2025/17 (Point 4), interested and eligible candidates may submit their applications through the proper channel, along with relevant details and justification for the assistance required. The prescribed formats will be made available under the 'UG Research IV Year' tab. All applications will be reviewed in accordance with the guidelines and recommendations of the RCC.

Yours sincerely,
Dr. Sunita Chaki
RCC/IQAC Coordinator
